

CTP

Memorandum **CONFIDENTIAL**

TO : Director of Training

DATE: 12 June 1970

FROM : Chief, Career Training Program

SUBJECT: Weekly Activities Report

25X1A9a 1. We have received from the CS Personnel Division a memorandum requesting withdrawal of CT [REDACTED] from the CS because of unsatisfactory performance. He has been on assignment in CI Staff for about a year, was personally opposed to being assigned there in the first place, a factor which may have affected his work adversely. Without attempting to judge the merits of the case, we believe that [REDACTED] continued assignment within the CS will not serve a useful purpose and we are endeavoring to develop an assignment for him elsewhere in the Agency.

25X1A9a 2. Similarly, but less formally thus far, we are advised by FE Division that a request may be forthcoming for the withdrawal of CT [REDACTED] who last year refused an overseas assignment in order to marry a Foreign Service Officer. She is now expecting a child and becomes another of FE's "immobiles".

3. Nine CTs in the upcoming July 1970 Class shortly will undergo two days' psychological assessment at a safehouse in the metropolitan area. Other CTs in the Class already have undergone equivalent assessment or, because they will not enter on duty until 6 July, are not available for assessment prior to the start of the Class on 13 July.

25X1A9a 4. We have been advised informally that the CS wishes to recall Mr. [REDACTED] for five weeks, beginning in July, to serve on one of the CS Personnel Review Boards.

25X1A9a 5. Mr. [REDACTED] will commence three weeks' annual leave on 15 June.
